

FA570KP

ALPHA DISPLAY KEYPAD

The FA570KP keypad is easy to install and simple to use. The attractive white console blends with any décor and features a contoured, removable door that conceals illuminated soft-touch keys. The FA570KP also features a new larger and brighter 32-character display with easy-to-read plain-English status messages. The function keys are easily accessed even when the keypad door is closed, and can be programmed for fire, burglary, personal emergencies and other operations.

FEATURES:

- Bright backlit keys and display for greater visibility
- Built-in speaker with audible beeps to indicate:
 - System status
 - Entry/exit delay
 - Other alarm situations
- Zones and system events displayed in plain English
- Four programmable function keys
- System functions clearly labeled
- Functions performed by just entering security code plus command
- White with removable door blends with any décor
